1. The Chemical Industries Department of USIVA informed the concerns under its control that the making of large-scale repairs or the expansion of existing installations by means of a plant's own facilities and materials were strictly forbidden. Such reconstruction or development programs must be financed by credits which must be obtained from sums made available within the limits of the USIVA budget. All credits obtained from USIVA must be backed by securities in the form of real estate or property.

50X1-HUM

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50, U.S.C. 91 and 92, as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.
